ABOUT US

A UNIQUE FAMILY STORY, A COMPANY ADVENTURE

150
years

MANE has become one
of the world's leading
flavour and fragrance companies.

the **5th** generation

perpetuates the same savoir-faire and commitments.

For over a century and half, MANE has mixed science and creativity, industry and emotion, maintaining its status as a family-owned company, with a unique identity and capabilities fueled by our passion, using state of the art technology, including biology, organic chemistry, and extraction expertise.
