

# ECLIPSE MASK OVER NIGHT

Stark contrasts of chiaroscuro can be appreciated thanks to the regenerative powers of the night and the shadows of a moon eclipse!

Which actives are used?

- Skin Moon (Bionap): brightening and lightening
- Campo Gleditsia Australis seed extract: black oil emollient
- Campo Siddha Neer Karum Karuppu: plant extract water soluble black liquid

# DARK LIPGLOSS

A lipgloss that steps from darkness to light with its coloured formula yet bright and transparent appearance. A make-up to break through the darkness!

*Which actives are used?*

- **Pomegranate oil (Bionap):**  
**brightening with a glow effect**
- **Campo Siddha Karum Karuppu Yenai:**  
**plant extract oil soluble black liquid**
